Cable Address: MURF.

Reference: Any Bank in Phoenix

TERMS GOVERNING SALE

This is Strictly a Mail Auction Sale

ALL BIDS are entered as received and lots distributed to the highest bidder without reserve. The terms of this Auction Sale are strictly CASH and must be paid for immediately upon receipt of material. BIDDERS unknown to me must furnish BANK or other RELIABLE references ,also A. N. A. number if a member, then it still remains OPTIONAL with the Sender should he desire to ship goods COLLECT.

Every piece of material in this sale is guaranteed as genuine unless otherwise stated. A CHARGE OF 5% will be made for executing your bids and for packing and shipping; this is low considering the superior service I expect to give you, but there is no charge made for BIDDING, except for lots actually purchased. Please bid on the lot number at so much per piece, unless otherwise instructed to bid on the LOT or SET. In this way the Cataloguer is not accountable for your ERRORS, therefore, regard bidding if there are SIX pieces in the lot and you wish to bid $3.00 for the lot, then make your bid 50 cents per piece. Positively no lots will be broken up. Do not make ridiculously low bids on Foreign Silver pieces as the intelligent bidder will not expect to get these coins far below their present silver value, as they now cost more than a year ago, nor bids of 5 and 10 cents over face value on PROOF COINS, will not be executed; be reasonable. Please send in your bids as early as possible, for in my previous sales bids came in too late to be executed, thereby causing a loss to us both. I have taken great pains in describing each lot accurately; in fact, the condition of the material is truly favored, but should mistakes occur, be assured that it's not intentional nor for object of sale. Bidders sending in OPEN or UNLIMITED bids will rereive same at an advance over the highest bid at 5% above, but should two bids be received for the same lot, then the first bid in will receive this LOT; I will buy under your bid whenever possible. No lots sent out for inspection before sale, as all material is stored until final day of sale. All successful purchasers at this Sale will be required to pay the Insurance, Express and Postage in addition to the 5% commission. BIDDERS please be patient as all material from this sale sold will be ENROUTE within Ten Days after date of close. Your cooperation solicited in helping make this sale a success—as it's my aim to PLEASE. No Price Lists of This Sale Will Be Issued.
